ABILITY

We grade our rides from 1 to 5 as an indication of the level of difficulty. On all Bigfoot Bike Club rides, no one gets left behind. If necessary, we will stop and regroup at suitable points.

We also give an indication of when we expect to return.

- Level 1** **Easy pace** - suitable for all levels including beginners. Stops to regroup, for punctures and refreshments and to admire the view.
- Level 2** **Easy to medium pace** - suitable for all levels. No major difficulties in terrain or hills. Stops to regroup for punctures, refreshments and to admire the view.
- Level 3** **Medium pace** - suitable for regular riders. Some technical sections and/or hills. Stops to regroup for punctures and refreshments.
- Level 4** **Medium to fast pace** - suitable for regular riders and training. Technical sections and/or hills. Stops to regroup and for punctures.
- Level 5** **Fast pace** - suitable for regular, fitter riders and training. Technical sections and/or hills. Stops to regroup and for punctures.
